Room Exchange eBoard

The Room Exchange eBoard is a great way for students to change housing areas or live in a room with a new friend. Penn State strives to accommodate student preferences when making room assignments but may not be able to assign every student to their desired room type or housing area. Once the housing preference deadline has passed, the Housing Assignment Office is unable to update a student’s preferences. Instead, students have the ability to utilize the Room Exchange eBoard functionality of eLiving to post your room assignment and “swap” it with another student.

The eBoard is available 12:00 p.m. EDT, Tuesday, July 20 through 12:00 p.m. EDT, Tuesday, August 10 on eLiving.psu.edu. Select My Room > Room Exchange eBoard. Some restrictions apply, based on a student’s Housing and Food Service (HFS) Contract type. Learn more at LiveOn.psu.edu/university-park/manage-your-hfs-contract.
Commons Desks

On-campus residents enjoy the convenience and security of having your mail and packages picked up at your housing area Commons Desk - thousands of packages and mail are delivered every month! The Commons Desks also manages all students room keys and temporary ID cards.

Each housing area has a Commons Desk that is generally open 24 hours a day, seven days a week, during the regular academic year. There may be overnight shifts where a Common Desk may close, but staff are accessible through a posted phone number. The Commons Desks are closed during University close down periods.

Services Provided

- U.S. mail delivery and package delivery
- Room assignment check-in/check-out
- Room key pick-up/return
- Loaner room keys
- Temporary ID cards
- Cot rentals (if available)
- Cleaning supplies checkout
- Vacuum cleaner checkout
- Recreational equipment checkout
- Tool kit checkout
- Fax machine service

Loaner Room Keys

If a student loses or misplaces their room key, a loaner key can be checked out at the Commons Desk and returned within two hours. If the key is returned late, the door lock will be changed and the student’s Bursar account will be billed. Core changes are processed quickly to ensure the student’s safety and security.

Temporary ID Cards

If a student loses or misplaces their Penn State id+ Card, the card can be deactivated immediately on-line. If the card is located within seven days, the card can then be reactivated on-line. A temporary ID card, which is valid for seven days, can be purchased for $3 at the commons desk. Student privileges that will be reassigned to the temporary card include access to the residence hall, Campus Meal Plan, and LionCash. If a student cannot locate a missing card, a replacement one can be purchased at the id+ Office at the current replacement fee.

Students may face a variety of challenges during their college careers. If, during your time at Penn State, you struggle to afford basic needs, such as food, housing, textbooks, clothing, or other household items, for any reason, we have resources to help you.

The Office of Student Care and Advocacy studentaffairs.psu.edu/studentcare supports students by providing one-time assistance for emergency needs, through the Student Emergency Fund, as well as helping students navigate options for ongoing support. The office coordinates with campus partners to help students address concerns around academics, health and wellness, or finances.

The Lion’s Pantry thelionspantry.psu.edu is Penn State’s on-campus food bank. It’s open to every student and provides food, basic household items, and toiletries. In addition, Penn State has resources to assist you during your college journey as you gain important skills around managing your money and making informed financial decisions financialliteracy.psu.edu as well as cooking and eating healthy meals on a budget studentaffairs.psu.edu/health-wellness/healthy-living/healthy-eating-and-nutrition.
Meal Plans

Students living on campus will have the Campus Meal Plan as part of the Housing and Food Service (HFS) Contract. The Campus Meal Plan is required to be purchased for each semester that a student lives on campus. There are three levels of the meal plan available to select from, offering different amounts of Dining Dollars. The HFS Contract defaults to level 2, and students may adjust their level through eLiving.psu.edu until 12:00 noon on the last day of finals for each semester.

Any dining dollars remaining from summer session carry over to fall semester and fall semester balances carry over to spring semester. Any funds remaining at the end of spring semester are forfeited and will not be refunded. If a student leaves the University at the end of fall semester, any funds remaining will be forfeited and will not be refunded.

Low on funds?
The benefit of the Campus Meal Plan is that if your account balance runs low, any available funds that you have in your LionCash account will automatically be transferred for purchases, and you will receive the Campus Meal Plan discount. This is a great way to manage your account so that you do not forfeit any funds at the end of the semester.

Savings with the Campus Meal Plan
With the Campus Meal Plan, you will receive savings in the dining commons and at select Retail Dining locations.

- Enjoy a 65 percent discount at all five Buffet to Go locations.
- A la carte operations offer a 65 percent discount on prepared items
- When using your id+ card to pay for a guest, they can also enjoy a 35 percent discount in the Buffet to Go.
- Some Retail Dining locations offer a 10 percent discount to Campus Meal Plan members on prepared items
- Discount not applicable at national chain locations, coffee shops or markets

Learn more about Campus Meal Plans at liveon.psu.edu. View transactions and add funds at idonline.psu.edu.

Celebrating Penn State traditions are sweeter when shared with family. Parents and families of University Park students are invited to share in Penn State traditions during Parents and Families Weekend.

We invite you to connect with the Penn State Parents Program with any questions or concerns. Connect through our Parent and Family Portal: psu.campusesp.com
id+

An id+ card is more than just an ID. It is a key, used to access assigned residence halls and other select areas across campus. It is needed to access gyms and athletics facilities. The card serves as a ticket to sporting events and concerts, if purchased. It is used to get discounts when purchasing items with LionCash.

LionCash is a prepaid debit account attached to a student’s id+ card. Funds can be deposited 24/7 by the student, family, or friends to then be used at participating on- and off-campus locations. Designated vendors also offer discounts when paying with LionCash.

- LionCash is the only method to pay for on-campus laundry.
- There are no fees to establish or use the account.
- Most notably, an id+ card can be connected to a PNC Bank account in order to use the card as an ATM card as well.

Forget something?

Our markets, located in each residential commons building, feature more than just snacks and drinks. They offer healthy grab and go options, as well as a variety of personal care items, toiletries, laundry supplies, paper goods, and so much more! We also save you a trip to the Creamery. We’ve got all the favorite flavors!

The **deadline to submit your photo** for your Penn State ID card is **Sunday, August 1**. For photo submission guidelines and instructions, visit [idcard.psu.edu/new-students](http://idcard.psu.edu/new-students).

Learn more about the id+ card and all of its capabilities at [idcard.psu.edu](http://idcard.psu.edu).
